

# ANISTA

---

Pastis from Provence

---

70cl

45%  
alc. vol

---

## Composition:

A pastis from Provence, handcrafted from local plants. Bay leaf, natural liquorice and aniseed extracts, thyme, sage and lavender give our pastis a distinct and unique flavour.

---

## Know How:

To preserve this unique flavour and subtle dosage, our pastis is made by blending macerations of our plants.

---

## Degustation:

This pastis de Provence is best enjoyed with fresh water (4 to 6 times the volume of pastis) and ice cubes. Store out of direct sunlight and at room temperature.
